

WE'RE COMMITTED TO YOUR SUCCESS

Your reliable and trusted source since 1938

When Security of Supply is essential, turn to Hawkins. With over 80 years of chemical expertise, Hawkins is equipped to minimize supply chain disruptions and provide the ideal solution to meet your specific needs.

Leverage our strengths to grow your business:

- Deep market connections and experience
- Long-term relationships with reliable domestic and global suppliers
- Storage capabilities reaching millions of gallons at 44 locations across the country
- Large and comprehensive product line
- Custom toll blending
- Nationwide distribution network to deliver products where and when you need them
- Custom packaging and private label capabilities
- Technical team and market managers with expertise in product innovations and R&D

Hawkins is a different sourcing partner. Our collaborative approach gives us the flexibility to deliver quality products and customized services that can help you grow faster.

- Reduce supply chain disruption and mitigate risk
- Keep your manufacturing plants operational
- Fulfill your orders on time, packaged the way you need them
- Reach your innovation goals faster by leveraging our technical expertise

Hawkins is a leading domestic chemical company that formulates, blends, distributes and manufactures products for the industrial market.

YOUR COMPLETE CHEMICAL DISTRIBUTOR

Domestically Produced High-Quality Ingredients:

Acetic Acid and Salts	Ferrous Salts	Potassium Ferrocyanide
Alcohols	Food Ingredients	Potassium Hypochlorite
Aluminum Chloride	Filter Aid	Potassium Hydroxide
Aluminum Sulfate	Formic Acid + Salts	Potassium Permanganate
Ammonia	Glycerine	Potassium Silicates
Ammonium Sulfate	Gluconates	Propionic Acid and Salts
Anti-Foams	Glycols	Propylene Glycol
Aqua Ammonia	High-Purity Chemicals	Propylene Glycol, Inhibited
Barium Chloride	Hydrochloric Acid	Soda Ash
Benzoic Acid and Salts	Hydrofluosilicic Acid	Sodium Aluminate
Bleach	Hydrogen Peroxide	Sodium Bicarbonate
Borax	Hydroxyacetic Acid	Sodium Bisulfate
Boric Acid	Iodine and Iodide Salts	Sodium Bisulfite
Calcium Carbonate	Lab Chemicals and Reagents	Sodium Chloride
Calcium Chloride	Lactic Acid and Salts	Sodium Hydrosulfite
Calcium Hypochlorite	Lime	Sodium Hypochlorite
Calcium Nitrate	Magnesium Bisulfite	Sodium Metasilicate
Calcium Sulfate	Magnesium Carbonate	Sodium Persulfate
Calcium Stearate	Magnesium Chloride	Sodium Phosphate
Caustic Soda (all grades and concentrations)	Magnesium Oxide	Sodium Silicates
Chelates	Magnesium Stearate	Sodium Sulfate
Chlorine	Magnesium Sulfate	Solvents
Citric Acid and Salts	Metal Etchants	Sorbic Acid and Salts
Copper Sulfate	Metal Finishing Products	Sulfamic Acid
Diesel Exhaust Fluid	Microgrit	Sulfuric Acid (any strength - burner or smelter grades)
Desiccants	Mineral Oils	Stearates
Diatomaceous Earth	Nitrates	Sulfates
Dicalcium Phosphate	Nitric Acid	Surfactants
Dipotassium Phosphate	Oxalic Acid	Sulfur Dioxide
Disodium Phosphate	Pharmaceuticals	Thiourea
Ethylene Glycol	Phosphates	Trisodium Phosphate
Ethylene Glycol, Inhibited	Phosphonates	Urea (dry and liquid)
EDTA and Salts	Phosphoric Acid	Water Treatment Products
Ferric Salts	Potassium Carbonate	Zinc Chloride
	Potassium Chloride	

Flexible Packaging Options

- Bulk
- Drum
- Totes
- Custom packaging

Our Services Include:

- Contract Manufacturing and Packaging
- Regulatory and Safety Assistance
- Inventory Management
- Remote Tank Monitoring
- Technical and Engineering Support

And so much more!
